The information provided in this brochure is only a guide. Applicants should review the approved By-Law No. 2021-114 which imposes municipal-wide development charges for municipal services.

Bill 23, the More Homes Built Faster
Act, received Royal Assent in November
2022 which amended the Development
Charges Act 1997. Some of these changes
are reflected within. Applicants should
consult with the Manager of Development
Services / Chief Building Official to
determine the charges that may apply to
specific development proposals.

Purpose of Development Charges

The purpose for the imposition of DCs is to meet the increase in need for growth-related servicing arising from future development in the Municipality of Kincardine.

Municipal Services

The categories of services for which DCs are imposed in the Municipality include:

- · Parks and Recreation
- · Public Works & Municipal Fleet
- · Roads & Related
- Fire Services
- · Waste Management
- · Development-Related Studies
- Water
- Wastewater

LEGISLATIVE SERVICES GUIDE

Development Charges

JANUARY 2024

When are DCs calculated and paid?

For development types subject to a Site Plan or Zoning By-Law amendments, the DC is calculated the day a complete application is received and frozen for a period of up to two years from Site Plan approval (Bill 108). If a building permit has not been issued within the two-year period, the DC rate will be the rate effective the date the building permit is issued. There are also deferred payment schedules for rental housing, certain institutional, and non-profit developments. For all other development types, the DC is calculated and collected on the date a building permit is issued.

Exemptions

DCs are payable on all new residential and non-residential development unless the By-Law or the Act provides an exemption which include:

- a board of education
- · any municipality or local board
- · the enlargement of an existing home
- additional residential units in existing homes/ residential lots (combination of no more than 3 units on the lot)
- additional units in new residential buildings (combination of no more than 3 units on the lot)
- additional residential units in existing rental residential buildings with more than 4 residential units (one unit or 1% of existing residential units)
- discount for rental housing development with 4 or more units, all intended for rental as below;
 - 3 or more bedrooms 25%
 - 2 bedrooms 20%
 - 1 bedroom or studio 15%

- certain affordable housing developments
- non-profit housing units
- inclusionary zoning units (affordable housing units required in a development)
- non-residential institutional development
- current developments with a Subdivision
 Agreement in place and are required to pay
 the capital and reserve charge for water and
 wastewater.
- · non-residential farm buildings
- non-residential development zoned C1 smaller than 232 m² in gross floor area
- enlargement of an industrial buildings up to a maximum of 50% of the original gross floor area of the structure that existed before the date the Development Charges By-Law came into effect.
