This addendum will form a part of SI RFP # 2024-01 and must be read in conjunction with it. In the event of any conflicting or inconsistent information, this addendum will take precedence over all requirements of the original RFP document and any addenda issued previously.

Bidders must acknowledge receipt of this addendum, in the field requested, when submitting their Bid.

I) Questions and Answers:

The following questions have been received, with the responses noted below. All information provided below forms part of the Bid solicitation document and is deemed to be included in your Bid.

**Question #1: Will the current lamp posts be used?**

Answer #1: We would look for someone to fasten to the outside of the pole. i.e. some type of strap around the exterior possibly. You should be able to provide options for the proposed mounting of speakers; but they no drilling or permanent fixation to the poles.

**Question #2: - Table 1 has a form that lists 13 speakers. Is it 13 speakers that you are asking for?**

Answer #2: The number 13 was put into the RFP in error. Please submit your recommended number of speakers given the distance and location provided in the map found on page 11.

II) RFP Revisions:

All information provided below forms part of the RFP document and is deemed to be included in your Bid.

III) Clarifications:

The addendum will form part of the RFP document.

All other terms and conditions of the RFP document remain the same.
